

# WOW! Fiber Flex

## Introducing Our Most Affordable Fiber Internet Solution

Get Fiber Internet for less when you select WOW! Fiber Flex. With asymmetrical bandwidth, you only pay for the speeds you need for your business, and get reliable, scalable options that meet your demands today — and tomorrow.

### Take your business to new places

When you partner with WOW! Business, you'll experience a level of service you might not expect from your communications provider. From our locally based support teams to our reliable, cost-effective services, we're a different type of carrier and it shows. When you need us, we're there, with 24/7 local technical support and friendly, helpful representatives ready to solve any issue. With WOW! Business you get:

- ▶ **A strategic business partner** that takes the time to understand your needs and recommend the best solutions.
- ▶ **A superior end-to-end customer experience** from your initial business consultation to install and beyond.
- ▶ **Honest, up-front pricing** so you have a predictable bill and pay what you expect.
- ▶ **A state-of-the art, reliable product suite** at a cost-effective price.

### Share and Save

WOW! Fiber Flex is a cost-effective way to take advantage of your location's Fiber Internet connection. Because it's a shared service, we're able to offer it at a lower price and deliver the same reliable, high-quality experience our customers depend on:

- ▶ A high-performance network with low latency and jitter
- ▶ Flexible configuration management
- ▶ Guaranteed Service Level Agreements
- ▶ 24/7 access to dedicated local support teams that scales as your needs grow

### Let's Talk

Our helpful account team is ready to work with you to find the Fiber Flex speeds you need to keep your business moving (and growing!). And once you partner with WOW!, we're here to support you 24/7 with friendly, local service.
