WOW! BUSINESS CUSTOMER AGREEMENT General Terms and Conditions

The Customer (sometimes referred to as “you” or “your”) identified on the Service or Work Order (“Service Order”) or Business Customer Agreement (the Service Order and Business Customer Agreement are sometimes referred to together as the “Customer Agreement”) for the installation and delivery of WOW! cable, phone and/or Internet services (the “Service” or “Services”) agrees to be bound by the provisions of: (i) the General Terms and Conditions set forth herein (the “General Terms”); (ii) the terms and conditions set forth in the Customer Agreement; (iii) acceptable use, privacy or other policies, or service guides (the “Service Policies”) adopted by WOW!, which may also include separate service level, product description, service usage or other service agreements (“Ancillary Agreements”); and (iv) for WOW! circuit switched phone customers, the terms and conditions of any applicable WOW! tariffs, which are available for review at www.wowforbusiness.com, are specifically incorporated by this reference and control in the event of a conflict with any other provision of the Agreement (collectively, the “Agreement”), as the same may be adopted and amended from time to time by WOW! in accordance with the General Terms and applicable law. We refer to the operating company subsidiary of WOW! Internet, Cable and Phone and/or Knology, Inc. and/or NuLink that owns and/or operates the cable television system in your area pursuant to a cable television franchise with the state or local franchising authority and/or the subsidiary that provides phone service in your area as “WOW!”, “Knology”, “NuLink”, “we”, “us”, or “our”. The Services will be provided to you by the WOW!, Knology or NuLink company that operates in your service area. In the event of a conflict or inconsistency among these documents, precedence will be as follows: (1) any jointly executed amendment or addendum to the Agreement (“Addendum”), (2) these General Terms, (3) the Service Policies and Ancillary Agreements, and (4) the Customer Agreement.

1. **Subscription to Services.** WOW! offers its business cable (video), Internet and phone Services as they may exist from time to time and as more particularly described in these General Terms, the Customer Agreement and/or an applicable tariff, to Customers who establish an authorized business account (“Account”) and pay the service fees to subscribe to the Services at rates and fees more particularly described in the Customer Agreement or an applicable price list or tariff. All services are subject to the continued availability of necessary and suitable facilities, access and utilities as determined by WOW! in its sole discretion, and WOW! shall have the right at any time to add to, modify, or delete any aspect, feature or requirement of a service, including but not limited to equipment and system requirements. Customer, by signing or submitting electronically the Customer Agreement (or by using or paying for the Services), subscribes to the identified Services at the specified service locations and agrees to use the Services in compliance with the Terms, as they may be revised, restated, amended and/or supplemented from time to time. Upon installation and connection of the necessary facilities and equipment to provide the Services, or in the case of phone, the day Phone Service is activated, WOW! shall notify Customer that the Services are available for use, and the date of such notice shall be called the “Service Commencement Date.” Any failure or refusal on the part of Customer to be ready to receive the Services on the Service Commencement Date shall not relieve Customer of its obligation to pay applicable Service charges. The Service Order shall become binding on the parties when (i) it is specifically accepted by WOW! either electronically or in writing, (ii) WOW! begins providing the Services described in the Service Order, or (iii) WOW! begins installation for delivery of the Services described in the Service Order, whichever is earlier (the “Effective Date”). When a Service Order becomes effective it shall be deemed part of, and shall be subject to the Agreement.

2. **Tariffs.** Notwithstanding anything to the contrary in the Agreement, WOW! may elect or be required to file tariffs with regulatory agencies for certain Services. In such event, the terms set forth in the Agreement may, under applicable law, be superseded by the terms and conditions of the Tariffs. WOW!’s operating affiliates provides certain telephone services to some customers that are subject to applicable tariffs and/or price lists for the state or federal jurisdiction in which Service is provided, which are incorporated into the Agreement by this reference, and control in the event of a conflict with any other provision of the Agreement. Some WOW! affiliates may also provide certain interconnection and other services to other WOW! affiliates in other WOW! service areas, in accordance with applicable state and federal tariffs. Said tariffs and/or price lists may be replaced, amended or changed from time to time by WOW! or any regulator with jurisdiction, and the Parties agree to be governed by all applicable regulatory orders, rules, and regulations associated with WOW!’s provision of such Services. If WOW! voluntarily or involuntarily cancels or withdraws a tariff, or if a tariff expires or is otherwise terminated, under which a Service is provided to Customer, the Service will thereafter be provided pursuant to the Agreement and the terms and conditions contained in the tariff immediately prior to its cancellation, withdrawal, expiration or termination. In the event that WOW! is required by a governmental authority to modify a tariff under which Service is provided to Customer in a manner that is material and adverse to either party, the affected party may terminate the applicable Service Order upon a
3. Access to Premises and Installation of System.
   A. Customer grants WOW! the right to install, inspect, replace, repair, relocate, alter, operate, remove and maintain its equipment (the "system") in, under and upon the premises at the designated service location(s). Customer, at no cost to WOW!, shall secure and maintain all necessary rights of access to the service location(s) for WOW! to install and provide the Services. Customer further agrees: (i) to provide WOW!'s representative with access at reasonable times to the premises to install, inspect, replace, repair, relocate, alter, operate, remove and maintain the system supplied by WOW! and, upon the termination of Service, to remove the system from the premises (it being understood that WOW!'s failure to remove its property shall not be deemed an abandonment thereof); (ii) not to permit, allow or encourage any other provider of cable, Internet or telecommunications services to utilize any component part or portion of the system installed by WOW!; (iii) not to disturb, alter or change any of the locations of any of WOW!'s system; (iv) not to attach or connect any equipment or devices, directly or indirectly, to the system without the prior written consent of WOW!; (v) not to utilize, interfere with or cause interference with any component part or portion of the system installed by WOW! or permit any activity that would interfere with WOW!'s delivery of Services to the service locations; (vi) to cooperate with WOW! in the installation of the system; (vii) to provide sufficient space within the premises for installation of system equipment and components; (viii) that the installation may require drilling, cutting and other alterations to improvements on the premises (including walls, flooring and/or other surfaces) and that WOW! assumes no obligation to restore or repair any such alterations or damages adjacent to such alterations (except to the extent such damages are attributable to the sole negligence of WOW!); (ix) to allow WOW!, in its discretion, to use for the provision of WOW! Services any existing wiring, conduit and/or other devises located within or installed upon the premises; and (x) to confer upon WOW! all other rights and privileges reasonably necessary or convenient for WOW!’s safe and efficient installation, operation and maintenance of the system and for the full enjoyment and use of the rights described above. Customer agrees to indemnify and hold WOW! harmless from any and all claims or damages, including payment of any attorney fees and other legal costs, arising out of the breach of this Section. **IF WOW!'S ACCESS RIGHTS TO THE SERVICE LOCATION ARE TERMINATED OR RESTRICTED, EARLY TERMINATION FEES WILL APPLY.**

   B. Each Service Order submitted by Customer shall be subject to an engineering and system installation review by WOW!. The review will determine the extent of existing cable plant and other facilities within the premises, and whether and to what extent WOW!’s cable plant must be extended, built or upgraded in order to provide the ordered Services at the requested service location(s) within the premises. WOW! will provide Customer written notification in the event Service installation at any service location will require an additional one-time installation fee ("Custom Installation Fee"). Customer will have five (5) days from receipt of such notice to reject the Custom Installation Fee and terminate, without further liability, the Service Order with respect to the affected service location(s).

The Services are to be used solely for ordinary, standard general business and commercial purposes. Customer agrees that: (i) the Services provided by WOW! will be utilized solely in accordance with all applicable laws and regulations and for Customer's use; (ii) Customer shall not sell, resell sublease, assign, license, sublicense, share, provide, or utilize in conjunction with or otherwise offer or make the Services available to other users, service locations or tenants, and shall not charge others to use the Services, in whole or in part, directly or indirectly, or on a bundled or unbundled basis, unless and to the extent authorized in writing by WOW!. Customers are specifically prohibited from permitting other users and/or locations to access the WOW! Internet service, whether through wireless or other means; (iii) Customer will adhere to any WOW! policies, rules and regulations provided to Customer. Customer acknowledges that WOW! may change such policies, rules and regulations at any time; and (iv) WOW! may at any time, with or without notice, suspend or terminate services if: WOW! determines in its sole discretion that Customer’s use of the services is unlawful, excessive, non-standard, abusive or contrary to WOW! terms or policies, or otherwise interferes with WOW!’s ability to provide the service(s) to you or others; WOW! reasonably believes that your use of the service(s) interferes with or endangers the health and/or safety of our personnel or third parties; or WOW! deems it necessary to prevent harm to our network, fraud or abuse of the service(s). WOW!'s action or inaction under this Section shall not constitute review or approval of your or any other users’ use of the service(s) or information transmitted by or to you or users. You understand and agree that suspension of your account may result in a disruption of all services that you subscribe to, including Internet, cable television and phone services. Use of the Services for resale or in any other way where the WOW! Services are used by Customer to provide service to Customer End Users must be authorized in writing by WOW!. Any such use of the WOW! Services may be subject to a separate master services agreement and/or other terms, restrictions and policies.
A. Customer (or Customer’s authorized representative and each end user of Customer’s Account) is at least 18 years of age. Customer has provided and will continue to provide to WOW! accurate, complete, and current Customer information, including but not limited to Customer’s legal name, address, phone number(s), and payment data (including but not limited to credit card numbers and expiration dates). Customer agrees that during the term of the Agreement Customer will promptly notify us if there is any change in the information that Customer has provided to us in accordance with the terms of the Agreement. If Customer fails to provide and maintain accurate information, Customer is in breach of the Agreement.

B. Customer is responsible in all respects (including all payment obligations) for all use of its Account in all circumstances, including under any screen name or password by any person (a “user”), and even if incurred as the result of fraudulent or unauthorized use of the Services. WOW! may, but is not obligated to, detect or report unauthorized or fraudulent use of Services to Customer. WOW reserves the right to restrict, suspend or discontinue providing any Service in the event of fraudulent, illegal or unauthorized use by Customer or any other user. Customer must ensure that all use of its Account complies fully with applicable laws and regulations, and the Terms, including any operating or acceptable use rules and policies that may be promulgated from time to time by WOW!. Customer further acknowledges and agrees that it is solely responsible and liable for any and all breaches of the Terms, whether the breach is the result of use of the Services and/or any WOW! Equipment or software by Customer, its employees, agents, customers, guests or other users. Customer agrees to indemnify, defend and hold harmless WOW! and its affiliates, employees, officers, suppliers and agents against all claims and expenses (including reasonable attorney fees) arising out of the use of the Services and/or the WOW! Equipment or software or the breach of the Terms by Customer or any other user of the Services.

C. Use of the Services must respect the property rights of WOW! and others. Title and intellectual property rights to the Services are owned by WOW!, its agents, suppliers or affiliates or their licensors or otherwise by the owners of such material and are protected by copyright laws and treaties. The copying, redistribution, reselling or publication of any part of the Services without express prior written consent from WOW! and other owners of such material is prohibited.

D. WOW! shall have the right, upon reasonable prior notice and during Customer’s normal business hours, and subject to any reasonable security requirements, to audit Customer’s use of the Service, to ensure Customer’s compliance with these Terms and any applicable Business Customer Agreement. In the event that WOW!’s audit reveals that Customer’s usage of the Service exceeds Customer’s rights hereunder or under any applicable Business Customer Agreement, WOW! may charge to Customer an amount equal to one and a half times the Service charges that would have been due for such excessive usage as liquidated damages and not as a penalty. In addition, Customer shall either discontinue any excess usage or thereafter continue to pay WOW!’s then-current fees for such additional usage.

E. Any breach of this Section 4 shall be deemed a material breach of the Agreement. In the event of such material breach, WOW! shall have the right to restrict, suspend, or terminate immediately any or all Service Orders, without liability on the part of WOW!, and then to notify Customer of the action that WOW! has taken and the reason for such action, in addition to any and all other rights and remedies under the Agreement.

5. Payment for Services. Unless otherwise agreed to in writing, Customer shall pay WOW! all service installation charges prior to the installation of Services. Customer further agrees to timely pay all charges, taxes and fees for the Service, including, but not limited to, installation/service call charges, monthly service charges, WOW! Equipment charges, measured, per call or other usage-based or separately billed charges, and the Separate Fees and Charges described in Section 6. Customer may be charged an additional payment convenience fee for payments made through a customer care representative or at a WOW! payment center. WOW! generally requires that monthly invoices be paid in one payment equal to the amount of the invoice. WOW! reserves the right to limit or restrict the frequency and amount of customer payments, the amount of any pre-payments and the methods used for payment. Except as otherwise indicated herein or in the applicable Customer Agreement or Service Order(s): (i) the Separate Fees and Charges and nonrecurring charges may be changed by WOW! without notice during the Term; and (ii) recurring monthly charges for Services may be increased by WOW! in accordance with Sections 28 and 29.

6. Pricing Policy. Prices and price guarantees exclude taxes and fees, however designated, including but not limited to applicable regulatory, PEG and franchise fees, and regulatory recovery fees, cost recovery charges, Subcarrier Line Charges, Network Line Fees, PRI charges, other carrier access fees and/or access fees, Carrier Service Fees, surcharges, the Broadcast TV Fee, Sports Surcharge, excises, program related fees (such as universal service, telecom relay services for the visually/ hearing impaired, rights-of-way access, and programs supporting the 911/E911 system), additional equipment, installation, late fee, service call and repair charges, and measured, per call or other usage-based or separately measured, per call or other usage-based or separately
billed charges (collectively, the “Separate Fees and Charges”). The Separate Fees and Charges will vary depending upon your service location and the services to which you subscribe. Not all of the Separate Fees and Charges apply to all services. Customers who participate in a promotional offer with a discount on monthly service fees will revert back to the standard monthly fee for the service at the end of the promotional period, unless the customer’s service is earlier terminated for any reason. Any promotional, discounted or guaranteed price for service applies only to the price of the particular service or services identified, and excludes the Separate Fees and Charges.

7. Pricing Information and Your Right to Cancel Services. Before we enter into a contract with you for WOW! video services (covered service), WOW! will, by phone, in person, online or by other reasonable means, provide or make available to you the following information about your covered services (“Customer Information”):

i. The total recurring monthly charge for the covered service, whether offered individually or as part of a bundled service (e.g., if you buy covered video and other services like Internet and/or phone as part of a bundle of services), including any related administrative fees, equipment fees or other charges (e.g., Broadcast TV fee and sports surcharges); and

ii. The amount of any promotional discount reflected in the charge and when such discount will expire (or may be changed by WOW!). In this regard, most business customers agree to subscribe to our services for a minimum term (e.g., 12 months), which then automatically renews unless cancelled. Although the agreement terms can vary, for most customers we may change Internet and phone service prices and discounts after expiration of the initial term of the agreement, but covered video service pricing and discounts can be changed by us at any time, with notice to you. You can still terminate the agreement at any time, but you may in some situations be required to pay a termination fee. Other prices and fees are subject to change at any time by us, during and after a term or promotion period; and

iii. A good faith estimate of recurring taxes and fees associated with your covered services. The estimated taxes and fees will include: taxes, fees and charges imposed on us by (or collected by us on behalf of) Federal, State and local governments; and other fees or charges used to recover any other governmental assessment imposed on us. The taxes and fees are only an estimate, designed to give you a reasonable approximation of the monthly taxes and fees that you will pay over and above other monthly service and equipment charges for your covered service. Your actual monthly taxes and fees may vary and will be identified on your billing statement. These taxes and fees may be changed at any time. In addition to these estimated monthly taxes and fees, your bill may reflect other non-recurring taxes and/or fees on items such as installation charges and non-recurring or usage based service purchases.

After we enter into a contract with you, we will send or otherwise make available to you by email, online link or other reasonably comparable means the Customer Information described above. To receive the information from us, you agree that you must provide us with a valid email address and we will send the information or link to you at the email address that you provide to us. In addition to your other rights, you may cancel the covered services that you have ordered or added, without payment of early cancellation fees or other disconnection fees or penalties.

8. Taxes, Fees and Other Charges. Customer shall pay all applicable local, state or federal fees or taxes, however designated (which includes any sales, use or excise taxes, and property taxes related to Customer’s property). Customer will be responsible to pay any Service charges, payment obligations, fees and taxes that become applicable retroactively. WOW! reserves the right to invoice Customer for any fees or payment obligations in connection with the Services imposed by governmental or quasi-governmental bodies in connection with the sale, installation, use, or provision of the Services, including, without limitation, applicable franchise and PEG fees (if any), regardless of whether WOW! or its affiliates or non-affiliated carriers pay the fees directly or are required or authorized by an order, rule, or regulation of a taxing jurisdiction to collect them from or charge them to Customer. These obligations may include those imposed on WOW!, its affiliates or non-affiliated carriers by statute, order, rule, or regulation of a regulatory body or a court of competent jurisdiction, as well as those that WOW!, its affiliates or non-affiliated carriers are required or authorized to collect from or charge to the Customer, or to pay to others in support of statutory or regulatory programs. For example, WOW! may charge its commercial phone customers a monthly regulatory recovery fee to help defray WOW!'s contributions to certain governmental programs, and it may (directly or as an offset of all or part of the Subscriber Line Charge of its affiliated phone company, Sigecom, LLC or other affiliated or non-affiliated interconnection carrier) charge a Subscriber Line Charge, Network Line Fee and/or Carrier Service Fee to offset costs associated with connecting customers to the telephone network and/or other regulatory costs. These charges are not a tax, and are not government-mandated and are subject to change. WOW! may also impose a separate fee to recover or offset specifically identified costs, such as programming or retransmission consent costs. WOW! may impose a Broadcast TV Fee, Sports Surcharge and similar cost recovery fees on those customers who subscribe (whether alone or as part of a bundle of services) to WOW! cable television service. These fees are not a government mandated taxes or fees and are subject to change. The fees are in addition to other charges associated with the WOW! cable television services. Taxes, government-related fees and non-government mandated charges and
fees may be changed at any time with or without notice. The taxes, fees and charges will vary depending upon your service location and the services to which you subscribe.

9. Invoices; Late Fees and Other Charges. Recurring service charges and fees will be billed monthly in advance. Charges based upon actual use of the Service (including but not limited to charges for VOD, per-per-view, international calls, directory assistance, operator assisted calls, service calls, maintenance and repairs) will be billed in the next practicable monthly billing cycle following such use. Customer must pay all monthly charges for the Services on or before the due date stated on the monthly bill. If you pay your bill through a customer care representative or at a WOW! payment center, there may be an additional payment convenience fee. Any amounts not paid to WOW! within such period will be considered past due. Failure to pay charges invoiced or failure to pay on time may result in discontinuance of Service, the removal of equipment delivered and/or the imposition of interest, early termination charges, late payment charges (not to exceed the highest charges allowed by law) and/or service charges. YOU WILL BE ASSESSED A LATE FEE PER MONTH FOR EACH ACCOUNT THAT HAS NOT BEEN PAID IN FULL AFTER 30 DAYS FROM THE BILLING DATE, in addition to any past due balance. The current late fee is set forth in the price list applicable to your service area or can be provided to you on request. An additional charge may be imposed if a check or other form of payment is not honored due to insufficient funds or credit. If you make payment by check, you authorize WOW! to collect your check electronically. You agree that you may not amend or modify the Agreement with any restrictive endorsements (such as "paid in full"), releases, or other statements on or accompanying checks or other payments accepted by WOW! and that any such notations shall have no legal effect. In the event collection activities are required, a collection and/or trip charge (as determined by WOW! in its sole discretion), in addition to all expenses and fees (including attorney fees) incurred by WOW! will be paid by Customer. WOW! reserves the right in its sole discretion to determine how to apply partial payments or payments received from Customers that subscribe to multiple or bundled services. If we accept a partial payment, we do not waive our right to collect the full balance owed to us. In the event Customer pays WOW! an amount in excess of the amount invoiced for the current billing period cycle, Customer agrees that WOW! will apply the overpayment to the Customer’s next monthly billing statement.

Billing Statement Errors and Disputes. Notwithstanding anything in these Terms to the contrary, Customer must provide to WOW! written notice of any billing statement errors or disputed charges within sixty (60) days from the date of the bill. Customer should send written notice to: WOW! Internet, Cable & Phone, Attn: VP of Business Operations, 7887 E Belleview Ave, Suite 1000, Englewood, CO 80111-6015. Customer must have and present a reasonable basis for disputing any amount charged. If Customer fails to object to a billing statement in writing within the 60 day period, Customer waives its right to a refund or credit associated with such billing error or dispute.

In all events, Customer is required to pay the undisputed amount of the billing statement. Customers who choose the recurring payment option agree that they are responsible for ensuring that accurate deductions are in place with their financial institution. In no event will WOW! be liable for reimbursement of inaccurate recurring payments unless notified in writing by Customer within sixty (60) days of the deduction. WOW! does not anticipate that you will fail to pay for the Services on a timely basis, and we do not extend credit to Customers. Any fees, charges, and assessments due to late payment or nonpayment are not interest, credit, service charges, or finance charges. Such fees, charges, and assessments are not penalties. Rather, they are liquidated damages intended to be a reasonable advance estimate of our costs resulting from late payments and non-payments.

Electronic Check Conversion. When you pay your bill by check, you authorize us to either use the information from your check to make a one-time electronic funds transfer (EFT) from your account or to process the payment as a check transaction. When we use information from your check to make an EFT, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from the bank. If your payment is returned unpaid, you agree to pay a fee of up to $30. Returned checks may be represented electronically.

10. Third-Party Services and Charges. WOW! may from time to time offer other services, products and/or features that are provided by third parties not affiliated with WOW!, such as enhanced security products and services, home warranty and other products and services. These products and services are offered by third parties and are subject to their own terms, conditions and policies. You understand and agree that WOW! is not responsible for your purchase, access to or use of such third-party products and services, including their subscription or payment requirements, their content, features, pricing, equipment requirements, terms and policies, or any other aspect of the third-party product or service, or for the use, storage or disclosure of information that you provide to such a third party. You assume all risks associated with such third-party products and services. WOW!’s provision of links or other direct access to a third-party service provider or product supplier does not necessarily imply endorsement by WOW! of the third-party product, site, service or its contents, or affiliation with its operators, even if the product or service is billed to you by WOW! on behalf of the third party. You alone are responsible
11. WOW! Mobile Powered by Reach. The mobile phone service offered by WOW! in select markets to its customers is provided by Reach Mobile (the “Mobile Phone Service”), a third party not affiliated with WOW!. The Mobile Phone Service is subject to Reach Mobile terms, conditions and policies. You understand and agree that WOW! is not responsible for your purchase, access to or use of the Mobile Phone Service, including the subscription or payment requirements, content, features, pricing, equipment requirements, terms and policies, or any other aspect of the Reach Mobile Phone Service, or for the use, storage or disclosure of information that you provide to Reach Mobile. Reach Mobile will provide customer support related to its Mobile Phone Service. WOW!'s provision of website links or other direct access to Reach Mobile information or eligibility for discounts on products or services does not imply affiliation between WOW! and Reach Mobile. You assume all risks associated with the Reach Mobile Phone Service. You alone are responsible for reviewing and abiding by any applicable privacy statements, policies and terms of use of the Reach Mobile Phone Service. You expressly acknowledge that you assume all responsibility related to the security, privacy, and confidentiality risks inherent in providing personal information to Reach Mobile. If you consent with Reach Mobile, Reach Mobile may provide WOW! with certain information and data related to the Mobile Phone Service.

12. Credit Approval and Deposits. The Agreement is contingent upon credit verification and approval of the Customer by WOW!. Customer shall provide WOW! with true and correct credit information requested by WOW!. Customer authorizes WOW! to make inquiries and to receive information about Customer’s credit history from others and to enter this information in Customer’s records and to disclose this information to appropriate third parties for reasonable business purposes. WOW!, in its sole discretion, may deny the Services based upon an unsatisfactory credit history, or may condition the Services, which may include requiring (i) pre-payment for Services and other charges, and/or (ii) a security deposit, valid credit card on file or bank account information (EFT) to secure return of equipment and payment for Services and other charges. Any cash deposit will not, unless explicitly required by law, bear interest and shall be held by WOW! as security for payment of Customer's charges. Customer understands and agrees that EFT’s cannot be provided solely for security purposes. EFT’s provided for security purposes will also automatically deduct the full balance due on Customer’s Account on a monthly basis. By providing a cash security deposit, or a credit card or EFT number to WOW!, Customer authorizes WOW! to charge against the credit card or EFT or withdraw from any security deposit or account, for: (i) the repair cost or replacement value (as determined by WOW!) of all WOW! Equipment that is not returned to WOW! undamaged within ten (10) business days after disconnection of Service; and (ii) amounts due to WOW! for Services, fees and other charges. Customer will be refunded the balance of any cash security deposit (without interest unless otherwise required by law), and all or a portion of the amount charged to Customer's credit card or EFT for WOW! Equipment, if payment has been made for all amounts due on Customer’s Account and Customer returns the WOW! Equipment undamaged. Unless otherwise required by applicable law, refunds of less than $1.00 will only be paid upon Customer request.

13. Recurring Charges. Upon Customer’s written request and WOW!’s acceptance of such request, WOW! will accept certain automatic credit card and bank account (EFT) payments for charges generated under the Agreement. By providing WOW! with a credit card or EFT number, Customer authorizes WOW! to charge the card or EFT for all charges generated under the Agreement, until (i) the Agreement is terminated or (ii) Customer provides sixty (60) days prior notice that WOW! stop charging the credit card or EFT. Customer agrees to provide WOW! with updated credit card, EFT or alternate payment information on a timely basis prior to the expiration or termination of the credit card or EFT on file or in the event that Customer’s credit card or EFT limit is or will be insufficient to cover payment. If WOW! is unable to charge Customer's credit card or EFT for any reason, Customer agrees to pay all amounts due, including any late payment charges or bank charges, upon demand by WOW!. WOW! may limit the option to pay by credit card or EFT to specific Services or may discontinue acceptance of credit card or EFT payments in whole or in part upon thirty (30) days prior notice to Customer. Customer agrees that WOW! is not liable for any NSF, overdraft or other charges or damages related to any EFT or credit charge against Customer’s Account. Customer agrees to indemnify and hold WOW! harmless from any and all claims or damages, including payment of any attorney fees and other legal costs, arising out of a breach of this Section.
14. Credit Allowances. Unless otherwise addressed in a separate service level or other written Ancillary Agreement between Customer and WOW!, and except as provided below, in the event of complete failure of a Service due to a technical malfunction within WOW!’s control for twenty-four (24) consecutive hours or more, you are entitled to a prorated credit upon request. To qualify for an adjustment, you must request a credit within thirty (30) days of the failure. Notwithstanding the forgoing, WOW!, its parent, affiliates and subsidiaries shall have no liability for interruption of any Service due to circumstances beyond its control, including without limitation, acts of God, natural disaster, regulation or governmental acts, fire, civil disturbance, strike or weather. The total number of credit allowances per month shall not exceed the total monthly recurring charge for the affected Service. Credit allowances will not be made for less than $1.00, unless required under applicable law. CUSTOMER AGREES THAT SUCH CREDIT IS CUSTOMER’S SOLE REMEDY FOR A DISRUPTION OF SERVICE. WOW! AND ITS AFFILIATES, AGENTS AND SUPPLIERS SHALL NOT BE LIABLE FOR ANY INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY KIND, HOWEVER CAUSED.

15. Exceptions to Credit Allowances. Except as provided by applicable law or in an applicable service level or other Ancillary Agreement, a Service interruption shall not qualify for the Credits set forth herein if such Service interruption is related to, associated with, or caused by: scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through WOW!, including, without limitation, Customer’s users; third-party network providers; any power, equipment or services provided by third parties; or an event of force majeure as defined in these General Terms. The remedies set forth in this Section and Section 12 shall be Customer’s sole and exclusive remedy for any interruption in the Services, outage, unavailability, delay or other degradation in the Services or any WOW! failure to meet the objectives of the Services.

16. Confidential Information and Privacy.

A. All Confidential Information shall be kept by the receiving party in strict confidence and shall not be disclosed to any third party without the disclosing party’s express written consent. Notwithstanding the foregoing, such information may be disclosed (i) to the receiving party’s employees, affiliates, suppliers and agents who have a need to know for the purpose of performing the Agreement, using the Services, rendering the Services, and marketing related products and services (provided that in all cases the receiving party shall take appropriate measures prior to disclosure to its employees, affiliates, suppliers and agents to assure against unauthorized use or disclosure); or (ii) as otherwise authorized by the Agreement. Each party agrees to treat all Confidential Information of the other in the same manner as it treats its own proprietary information, but in no case using a degree of care less than a reasonable degree of care. Notwithstanding the foregoing, each party’s confidentiality obligations hereunder shall not apply to information that: (i) is already known to the receiving party without a pre-existing restriction as to disclosure; (ii) is or becomes publicly available without fault of the receiving party; (iii) is rightfully obtained by the receiving party from a third party without restriction as to disclosure, or is approved for release by written authorization of the disclosing party; (iv) is developed independently by the receiving party without the disclosing party’s express written consent; or (v) is required to be disclosed by law or regulation.

“Confidential Information” means all information regarding either party’s business which has been marked or is otherwise communicated as being “proprietary” or “confidential.” or which reasonably should be known by the receiving party to be proprietary or confidential information. Without limiting the generality of the foregoing, Confidential Information shall include, even if not marked, the Agreement, software, promotional materials, proposals, quotes, rate information, discount information, subscriber information, network upgrade information and schedules, network operation information (including without limitation information about outages and planned maintenance) and invoices, as well as the parties’ communications regarding such items. Notwithstanding the foregoing, Customer agrees that: (i) WOW! may make references to the fact that Customer is a customer of WOW! and the general nature of Services that Customer purchases from WOW!; and (ii) WOW! may disclose the Agreement and/or Customer information to a potential purchaser in connection with a sale of all or a portion of its business or assets (including the sale or transfer of delinquent accounts or other receivables), including in connection with a merger, sale or reorganization. Should Customer fail to cancel within this timeframe, Customer will be deemed to have accepted the modified Services pricing. All other charges (including, as applicable and without limitation, taxes, fees, regulatory recovery fees, cost recovery charges, carrier fees, Subscriber Line Charges, Network Line Fees, Carrier Service Fee, carrier access fees, the Broadcast TV Fee, Sports Surcharge, and non-recurring, optional, measured, usage-based and special service charges such as: charges for international calls, directory assistance, time or usage based calls and/or operator assisted calls; charges for VOD, pay-per-view and other video service charges; and charges for other optional services and equipment not included in the base monthly service charge) may be modified at any time.

32. **Other Permitted Changes in Rates.** In the event of any change in applicable law, regulation, decision, rule or order, including without limitation any new application of or increase in universal service fees or other government or quasi-government-imposed charges that increases the costs or other terms of WOW!’s delivery of Service to Customer, or, in the event of any increase in pole attachment or conduit charges applicable to any facilities used by WOW! in providing the Service, Customer acknowledges and agrees that WOW! may pass through to Customer any such increased fees or costs, but only to the extent of the actual increase, provided WOW! notifies Customer at least thirty (30) days in advance of the increase. In such case, and if such increase materially increases the fees or charges due by Customer hereunder for the applicable Service, Customer may, within thirty (30) days after notification of such increase, terminate the affected Service without incurring termination liability, provided Customer notifies WOW! at least fifteen (15) days in advance of Customer’s requested termination date. Further, in the event that WOW! is required to file tariffs or rate schedules with a regulatory agency or otherwise publish its rates in accordance with regulatory agency rules or policies respecting the delivery of the Service or any portion thereof, and WOW! is required under applicable law to apply those rates to Customer’s purchase of Service under the Agreement, then the terms set forth in the applicable tariff or rate schedule shall govern WOW!s delivery of, and Customer’s use or consumption of the Service. In addition, if WOW! determines that offering or providing the Service, or any part thereof, has become impracticable for legal or regulatory reasons or circumstances, then WOW! may terminate the Agreement as to any or all of the Services and may terminate any affected Orders, without liability by giving Customer thirty (30) days prior written notice or any such notice as is required by law or regulation applicable to such determination.

33. **Termination; Early Termination Charges.** Customer shall have the right to terminate for convenience a Customer Agreement in whole or part, at any time during the Service Term upon at least sixty (60) days prior written notice to WOW!, and subject to payment to WOW! of all outstanding amounts due for the Services, any and all applicable termination charges as described below and the return of any and all WOW! Equipment. Either party may terminate a Customer Agreement for cause if written notice is given to the other party at least thirty (30) days prior to termination specifying the cause for termination and requesting correction and such cause is not corrected within such thirty (30) day period. “Cause” is any material breach of the terms of the Agreement. Notwithstanding the forgoing, a Customer Agreement may also be terminated by WOW! for cause without prior notice: (i) if Customer fails to timely pay for the Services; (ii) if Customer uses the Services in violation of applicable law, or WOW!’s acceptable use or other policies; (iii) in accordance with any applicable tariff on file with applicable regulatory authorities; or (iv) if WOW! determines in its sole discretion that the termination of Services and the Customer Agreement is necessary to protect itself, its customers or the general public against acts of fraud and other
unlawful activities. WOW! may also terminate a Customer Agreement immediately without incurring any liability whatsoever if WOW! determines in its sole discretion that: (i) any local, state, national or international law makes it unlawful, infeasible or uneconomic for WOW! to provide a service to Customer, or (ii) WOW! is unable to reasonably secure or maintain necessary or suitable facilities, access or utilities required to provide a service to Customer. Rates for the Services and associated discounts are based on Customer’s agreement to purchase such Services for the entire applicable Service Term. The Service Term begins on the Service Commencement Date and continues for the period of time specified in the Service Order, unless earlier terminated in accordance with these General Terms. Notwithstanding anything in the Agreement to the contrary, Customer’s termination of a Customer Agreement or Customer’s reduction of Services (“downgrade”) before the expiration of the agreed upon Service Term without cause (including a termination for convenience) or WOW!’s early termination of a Customer Agreement for cause, will require that Customer pay to WOW! an early termination fee (ETF) calculated as follows: (a) all unpaid amounts for Services provided through the date of termination; plus (b) all related reasonable expenses of WOW! incurred before or after the Service Commencement Date including, but not necessarily limited to, site survey costs, construction and installation costs, Custom Installation Fees, discounts, credits or competitive contract buyout charges and/or all previously waived non-recurring charges for the Services; plus (c) 75% of the monthly recurring charges at the rates stated in an applicable Service Order form or, in the case of a downgrade, the difference between the monthly recurring charges (MRC) at the rates stated in the original Service Order form and the MRC at the rates for the downgraded service, for all months remaining in the applicable Service Term.

Customer agrees that WOW!’s damages for early termination would be difficult to determine and the termination charges specified herein constitute liquidated damages and are not a penalty. Month-to-month service agreements may be terminated on thirty (30) days prior written notice. If Customer provides notice of termination as specified in this Section but retains WOW! Service, the Customer will be converted automatically to a month to month agreement at the end of the current term, and Customer’s pricing for the Service will be modified to reflect WOW!’s current month to month pricing schedule. To terminate a Customer Agreement in accordance with this Section, Customer must notify WOW! Customer Care by written notice to WOW! at WOW! Internet, Cable & Phone, Attn: VP of Business Operations, 7887 E Belleview Ave, Suite 1000, Englewood, CO 80111-6015. The rights and remedies set forth herein shall be in addition to any and all other legal, equitable and administrative rights and remedies available to WOW!.

34. Satisfaction Guarantee for High Speed Internet, Business Phone Complete or Business Phone Basic (Business Line) and Hosted VoIP Services. Notwithstanding the forgoing, if you are not satisfied with WOW!’s (i) High Speed Internet Service or (ii) Business Line or (iii) Hosted VoIP Service, for any reason, you may terminate this Agreement and/or disconnect or downgrade your High Speed Internet, Business Line, or Hosted VoIP Services for any reason without incurring the MRC portion of the ETF during the first sixty (60) days of the initial Term of the Agreement (the “Cancellation Period”) without incurring the MRC portion of the ETF (as it relates to the disconnected or downgraded Service) by contacting WOW! in writing before the end of the Cancellation Period and notifying WOW! of your decision to disconnect or downgrade your High Speed Internet, Business Line, or Hosted VoIP Services. You will be responsible for: (i) paying for the WOW! Services you received and all other charges and fees that you incurred prior to exercising your rights under this subsection through the date the WOW! Services are disconnected or downgraded; and (ii) construction and installation costs, discounts, credits or competitive contract buyout charges and/or all previously waived non-recurring charges for the Services.

35. Termination for Chronic Service Failures. The Parties agree that Customer may terminate the Agreement as to a particular Service Location for a particular service only upon thirty (30) days prior written notice to WOW! if there are three (3) or more service outages for the same particular service, defined as a service outage that lasts for a continuous period of at least two (2) hours, caused by WOW! that occur within a three (3) month period and are not repaired by WOW! within a mean time to repair of four (4) hours; provided, however, this right of termination shall not apply to outages caused by Customer or force majeure events. Customer’s termination of the Agreement pursuant to the prior sentence shall be deemed a termination by Customer for cause pursuant to the Agreement, and no early termination fees will apply.

36. Effect of Expiration or Termination of the Agreement or a Service Order. Upon the expiration or termination of a Customer Agreement for any reason: (i) WOW! may disconnect the applicable Service; (ii) WOW! may delete all applicable data, files, electronic messages, voicemail or other information stored on WOW!’s servers or systems; (iii) if Customer has terminated the Customer Agreement prior to the expiration of the Service Term without cause, or if WOW! has terminated the Customer Agreement prior to the expiration of the Service Term for cause, WOW! may assess and collect from Customer applicable termination charges (as described above in Section 30); (iv) Customer shall permit WOW! access to retrieve from the applicable service locations any and all WOW! Equipment (however, if Customer fails to permit access, or if the retrieved WOW! Equipment has been damaged and/or destroyed other than by WOW! or its agents, normal wear and tear excepted, WOW! may invoice or collect from in accordance with Section 10) Customer for the full replacement cost of the relevant WOW! Equipment, or in the event of minor damage to the retrieved WOW! Equipment, the cost of repair, which amounts
shall be immediately due and payable); and (v) if used in conjunction with the terminated Service, Customer’s right to use applicable software shall automatically terminate, and Customer shall be obligated to return the software to WOW!.

37. Price Lists, Channel Line-ups and Service Information. While we try to ensure that all prices, channel line-up, programming and other information relating to our Services that we make available to you, online or offline, and whether in the form of advertisements, customer communications or customer information materials, is accurate at all times, we cannot be responsible for unintended inaccuracies, incorrect information or errors (“Unintended Service Information”). WOW! is not responsible and shall have no liability or obligation with respect to Unintended Service Information. If we discover any Unintended Service Information, we will endeavor to correct the Unintended Service Information as soon as we become aware of it. WOW! shall have the right to refuse or cancel any services based on Unintended Service Information. You agree to release, hold harmless and indemnify WOW! and its affiliates, suppliers and agents from anyт all liability arising from Unintended Service Information.

38. Deletion of Customer Information. WOW! and its suppliers reserve the right both during the term of this Agreement and upon its termination to delete Customer’s voicemail, call detail, data, email, files, or other information that is stored on WOW!’s or its suppliers’ servers or systems. Customer understands and acknowledges that WOW! shall have no liability whatsoever as a result of the loss or removal of any such voicemail, call detail, data, email, files, or other information.

39. Ownership of Telephone Numbers and Addresses. Customer acknowledges that use of the Services does not give it any ownership or other rights in any telephone number or Internet/on-line addresses provided, including but not limited to Internet Protocol (“IP”) addresses, e-mail addresses and web addresses. We may modify or change these numbers and addresses at any time without notice and shall in no way be required to compensate you for these changes.

40. Customer Compliance with Applicable Law and Regulations. Customer understands and agrees that, unless otherwise specifically agreed by WOW! in a separate written agreement, the services provided by WOW! are not designed to satisfy Customer’s obligations under applicable law and regulations, such as HIPPA, SOX and PCI. In particular, unless otherwise specifically agreed by WOW! in a separate written agreement, Customer agrees that WOW! is not a business associate for HIPAA purposes. Customer is solely responsible for its obligations under applicable law and regulations, and is solely responsible for implementing proper controls to comply with its obligations.

41. Password Security. For certain WOW! services, WOW! requires the creation of a customer user identification and/or password that enables access to services and account information. Customer agrees that it will immediately change any default user identification and/or password and will be responsible for the confidentiality, security and use of user identifications and/or passwords. Customer shall immediately notify WOW! if there has been an unauthorized release, use or other compromise of any user identification or password. WOW! shall not be liable for any loss, cost, expense or other liability arising out of any unauthorized access to a service or Customer account by use of Customer’s user identification and/or password.

42. EU General Data Protection Regulation. WOW! services are generally not implicated by the European Union General Data Protection Regulation (GDPR) and, therefore, we do not certify compliance with the GDPR. You should not in connection with our services provide us with personal data of any European Union resident. Our customers are solely responsible for complying with GDPR obligations that may apply to them.

43. Additional Phone Service Terms, Restrictions and Advisories. In addition to the provisions of these General Terms generally applicable to all WOW! Services, the following provisions more specifically apply to Customers that subscribe to certain of WOW!’s Phone Services. In some of our service areas, we offer interconnected voice over IP (VoIP) phone services (“VoIP Phone”), which may include Hosted VoIP services. Our VoIP Phone services, as well as certain other specialized phone products, have certain limitations and restrictions that do not generally apply to traditional circuit switched phone services. In addition, we may provide or require additional Ancillary Agreements that have additional terms and conditions that apply to certain services.

A. General Use Restrictions. Except as otherwise provided in the General Terms and Conditions or as authorized by WOW!, WOW! Phone Service is intended for ordinary commercial use only and may only be used at service location(s) where such service is installed by WOW!. Customer understands and acknowledges that if Customer attempts to install or use the WOW! Equipment or VoIP Phone service at another location, the phone service, including but not limited to 911/E911, may fail to function or may function improperly. If Customer subscribes to a WOW! service (such as Hosted VoIP) that allows Customer to move the WOW! Phone Service Equipment to another location, Customer is responsible for ensuring that its emergency service location is updated by either updating the emergency service location by use of a communications portal provided by WOW! or by contacting WOW! to initiate the service address change. Customer expressly agrees not to: (i) interfere with or impair any service over any facilities and associated Equipment or impair the
privacy of any communications over such facilities and associated Equipment; (ii) sell, resell, sublease, assign, license, sublicense, share, provide, or otherwise utilize in conjunction with a third party (including, without limitation, in any joint venture or as part of any outsourcing activity) the Phone Services or any component or combination thereof; (iii) in any manner use the Service in a way that results in non-standard calling patterns or practices (including text messaging), including but not limited to, use of the Service for auto-dialing, continuous or extensive call forwarding, telemarketing (including, without limitation, charitable or political solicitation or polling), fax or voicemail broadcasting or blasting for services with unlimited local and long distance calling plans, PBX hacking or modem hijacking resulting in excessive usage of long distance service, excessive text messages, or for any other use that results in excessive usage inconsistent with standard commercial calling patterns, as determined by WOW!; or (iv) augment the WOW! Phone Service or features, in any way as to change the functionality of the services or its component features in any manner that is inconsistent with standard commercial calling patterns and practices or these Terms. Such non-standard calling patterns and practices include, but are not limited to, use of three-way calling, or call forwarding, that results in unusually high traffic volumes or excessive long distance usage. A non-standard calling pattern may also include, when Customer's long distance calling minutes from (i) calls terminating to Alaska, (ii) calls terminating to Guam, (iii) calls terminating to a conference calling service operating in areas with high carrier access rates (e.g., rates that carriers pay one another for network use), or (iv) calls terminating to a chat line service, in the aggregate exceed ten percent (10%) of Customer's total long distance minutes in any one-month billing cycle. IF WOW! DETERMINES, IN ITS SOLE DISCRETION, THAT CUSTOMER'S USE OF WOW! PHONE SERVICE IS EXCESSIVE, ABUSIVE OR IN VIOLATION OF THESE TERMS, WOW! RESERVES THE RIGHT, AMONG OTHER THINGS, TO TERMINATE OR MODIFY THE WOW! PHONE SERVICE IMMEDIATELY AND WITHOUT NOTICE.

B. **VOIP PHONE SERVICE E911 ADVISORY; Limitations Affecting Access to Phone and 911 Services.** IF YOU ARE SUBSCRIBING TO ANY OF THE WOW! VOIP PHONE SERVICES (INCLUDING HOSTED VOIP), YOU ACKNOWLEDGE RECEIPT AND UNDERSTANDING OF THE FOLLOWING E911 NOTICE: WOW!'S VOIP PHONE SERVICE ALLOWS YOU TO ACCESS E911 SERVICES. YOU WILL NOT BE ABLE TO ACCESS E911, HOWEVER: (I) IN THE EVENT OF A POWER OUTAGE. FOR SOME SERVICES, WOW! MAY PROVIDE A BATTERY BACK-UP WHICH WILL PROVIDE POWER TO THE WOW! MODEM FOR A LIMITED PERIOD OF TIME IN THE EVENT OF A POWER OUTAGE. BATTERY BACKUP IS NOT GUARANTEED, AND DOES NOT SUPPLY POWER TO THE PHONE ITSELF. YOU SHOULD NOTIFY WOW! IMMEDIATELY IF THE BATTERY IS LOW, EXHAUSTED OR INOPERABLE. IF WOW! DOES NOT PROVIDE A MODEM OR BACKUP BATTERY POWER FOR WOW! SERVICES UTILIZING A TELEPHONE CABLE MODEM OR OTHER REQUIRED WOW! EQUIPMENT, YOU MUST PROVIDE IT AND IT WILL REMAIN YOUR RESPONSIBILITY IN ALL RESPECTS; (II) IN THE EVENT OF A NETWORK OUTAGE; OR (III) DURING PERIODS WHEN YOUR BROADBAND OR INTERNET CONNECTION IS UNAVAILABLE. YOU SHOULD NEVER MOVE THE LOCATION OF YOUR WOW! PROVIDED ADVANCED MODEM OR PHONE WITHOUT FIRST UPDATING YOUR EMERGENCY SERVICE LOCATION, BY EITHER NOTIFYING US OR USING ANY WOW! PROVIDED COMMUNICATIONS PORTAL. THE ADDRESS ASSOCIATED WITH AN E911 CALL IS THE AUTHORIZED ADDRESS WHERE WOW! SERVICE WAS ORIGINALLY PROVIDED. IF YOU MOVE THE ADVANCED MODEM OR PHONE EQUIPMENT FROM THE ORIGINAL SERVICE LOCATION, A CALL TO E911 USING THAT AUTHORIZED ADDRESS WILL STILL IDENTIFY THE ORIGINAL SERVICE LOCATION. THERE MAY BE A DELAY OF AT LEAST ONE BUSINESS DAY AFTER INSTALLATION OF SERVICE FOR E911 SERVICE AVAILABILITY. THERE MAY ALSO BE A DELAY OF AT LEAST THREE (3) BUSINESS DAYS AFTER YOU CHANGE YOUR EMERGENCY SERVICE LOCATION FOR THE NEW LOCATION TO BE USED FOR E911 PURPOSES. YOU AGREE THAT, TO THE MAXIMUM EXTENT ALLOWED BY LAW, WOW! SHALL HAVE NO LIABILITY FOR ANY DAMAGES CAUSED, DIRECTLY OR INDIRECTLY, BY YOUR INABILITY TO ACCESS THE SERVICES, INCLUDING E911 SERVICES. You agree to defend, indemnify, and hold harmless WOW!, its officers, directors, employees, affiliates, suppliers and agents and any other service provider who furnishes services to you in connection with WOW! phone service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, reasonable attorney’s fees) by, or on behalf of, you or any third party or user of your account relating to the absence, failure or outage of the phone service, including 911 dialing and/or inability of you or any third person or party or user of your service to be able to dial 911 or to access emergency service personnel and the operation of any medical monitoring device, or security or alarm monitoring system.

C. **Maintenance.** From time to time, WOW! will provide scheduled and unscheduled maintenance to customer premises equipment and the WOW! network, during which time the Service, including access to E911, will not function. No prior customer notification of unscheduled maintenance will be provided, while advance customer notification of scheduled maintenance will be provided solely by posting on our website at www.wowforbusiness.com. WOW! will make a commercially reasonable effort to schedule maintenance of an expected duration of less than two hours after 12:00 a.m. and before 5:00 a.m. local switch time. Scheduled maintenance that requires a longer duration may be scheduled to begin during normal business hours. WOW! will also provide prior customer notification of scheduled construction and repair activities by posting such notice on our website at www.wowway.com and/or providing other customer notification.
D. EMTA Battery and Back-up Power. FOR CERTAIN OF ITS VOIP PHONE SERVICES, WOW! HAS PROVIDED AN ADVANCED MODEM ("EMTA") WHICH MAY PROVIDE BATTERY BACK-UP POWER. YOU UNDERSTAND, ACKNOWLEDGE AND AGREE THAT THE PERFORMANCE AND DURATION OF ANY BATTERY BACKUP IS NOT GUARANTEED. THE BATTERY MAY NOT BE PROPERLY INSTALLED, MAY HAVE BEEN REMOVED, MAY FAIL, MAY PROVIDE POWER FOR ONLY A LIMITED TIME, OR MAY BE EXHAUSTED. IF THERE IS NO BATTERY BACKUP OR THE BATTERY BACKUP DOES NOT PROVIDE POWER, THE SERVICES WILL NOT FUNCTION UNTIL NORMAL POWER IS RESTORED. When the “Replace Battery” light is illuminated on your EMTA, the battery is not functioning and consequently your phone service will not function in the event of a power outage. When the “Battery Low” light is illuminated, the battery is functioning, but will provide less than four hours of power back-up in the event of a power outage. IT IS YOUR RESPONSIBILITY ALONE AND NOT WOW!’S TO REGULARLY CHECK THE BATTERY INDICATOR LIGHTS LOCATED ON YOUR EMTA AND TO IMMEDIATELY REPLACE THE BATTERY IN THE EVENT THE EMTA INDICATES “REPLACE BATTERY” OR “BATTERY LOW.” For instructions on obtaining and installing replacement batteries in your EMTA, please go to www.wowforbusiness.com or call: Michigan 1-888-969-4249; Alabama, Florida, Georgia, South Carolina and Tennessee 1-855-796-9249. AS A CONDITION TO SUBSCRIBING TO WOW! PHONE, YOU AGREE TO ASSUME ALL RISK AND LIABILITY ASSOCIATED WITH OBTAINING, INSTALLING AND MONITORING YOUR BATTERY AND OBTAINING AND INSTALLING A NEW BATTERY TO REPLACE AN INOPERABLE OR LOW FUNCTIONING BATTERY. IF WOW! DOES NOT PROVIDE A MODEM OR BACKUP BATTERY POWER FOR WOW! SERVICES UTILIZING A TELEPHONE CABLE MODEM OR PHONE, YOU MUST PROVIDE EITHER A BACK-UP BATTERY OR ANOTHER BACK-UP POWER SOURCE, WHICH REMAINS YOUR RESPONSIBILITY IN ALL RESPECTS.

E. Security Systems and Medical Monitoring Devices. You understand and acknowledge that WOW!'s VOIP Phone service: (i) does not support rotary-dial telephones, DSL on the same line or any features, calling functions or certain call types not specifically listed in WOW!’s product literature; and (ii) may not support or be compatible with certain medical monitoring devices or security systems. In order to maintain any necessary alarm or medical equipment monitoring functions, Customer may be required to maintain a telephone connection through a local exchange carrier. In the event that WOW! installs and configures WOW! Phone to operate with Customer's medical monitoring equipment or security system, Customer expressly acknowledges that: (x) Customer must, directly or with the assistance of the provider of its medical monitoring equipment or alarm monitoring services, test the functioning and compatibility of the equipment and/or alarm monitoring services with WOW! Phone; and (y) the Service has certain limitations as described herein that may affect the reliability and functionality of the medical monitoring equipment and security systems. Customer assumes all risk associated with the limitations of the Service. CUSTOMER HEREBY WAIVES ALL CLAIMS AGAINST THE WOW! ENTITIES FOR INTERFERENCE, DISRUPTION OR INCOMPATIBILITY BETWEEN THE WOW! EQUIPMENT AND SERVICE AND ANY OTHER SERVICE, SYSTEMS AND EQUIPMENT, AND AGREES THAT, TO THE MAXIMUM EXTENT ALLOW ED BY LAW, THE WOW! ENTITIES SHALL HAVE NO LIABILITY FOR ANY DAMAGES CAUSED, DIRECTLY OR INDIRECTLY, AS A RESULT OF THE DISRUPTION, FAILURE OR IMPROPER FUNCTIONING OF ANOTHER SERVICE, SYSTEM OR EQUIPMENT (INCLUDING A MEDICAL MONITORING DEVICE OR SECURITY OR ALARM MONITORING SYSTEM) THAT OPERATES WITH USE OF THE WOW! SERVICE.

F. Analog Telephone Adapter (ATA) and Back-Up Power. For certain customers with analog phones or other analog devise, WOW! may install an Analog Telephone Adapter (ATA), which will allow the analog phone or device to function with WOW!’s digital Services. The ATA requires an external power source to function properly. For critical services such as alarm lines or elevator phones operating with the ATA, it is highly recommended that you provide a back-up power source to power the ATA in case of a power outage, such as an Uninterruptable Power Source (UPS). If a back-up power supply is not provided, the analog phones, alarm lines or other analog devices will not work in an emergency situation during a power outage. YOU AGREE TO ASSUME ALL RISK AND LIABILITY ASSOCIATED WITH OBTAINING, INSTALLING AND MONITORING YOUR EXTERNAL POWER SOURCE AND OBTAINING AND INSTALLING A NEW EXTERNAL POWER SOURCE TO REPLACE AN INOPERABLE OR LOW FUNCTIONING EXTERNAL POWER SOURCE. WOW! DOES NOT PROVIDE A BACK-UP EXTERNAL POWER SOURCE FOR THE ATA OR THE WOW! PHONE SERVICES UTILIZING AN ATA. YOU MUST PROVIDE AN EXTERNAL POWER SOURCE, WHICH REMAINS YOUR RESPONSIBILITY IN ALL RESPECTS.

G. Service and Feature Modifications. WOW! shall have the right at any time to add to, modify, or delete any aspect, feature or requirement of WOW! Phone, including but not limited to equipment and system requirements.

H. CPNI Approval. Customer has a right, and we have a duty, under federal law, to protect the confidentiality of customer proprietary network information (CPNI). CPNI includes information such as the quantity, technical configuration, type, destination, location and amount of use of a telecommunications service. We desire to use your CPNI (or disclose or permit access to our agents and affiliates that provide communications related services) to market communications
related services (such as Internet and cable services) to you. IF YOU APPROVE, YOU DO NOT HAVE TO TAKE ANY ACTION. HOWEVER, YOU DO HAVE THE RIGHT TO RESTRICT OUR USE OF YOUR CPNI. You may deny or withdraw our right to use your CPNI at any time by calling us at 1-888-969-4249. If we do not hear from you within 30 days of this notification, we will assume that you approve our use of CPNI for the purpose of providing you with information about other communications-related services. Denial of approval will not affect the provision of any services to which you subscribe. Approval or denial of approval for use of CPNI outside of the service to which you subscribe is valid until you affirmatively revoke or limit your approval or denial.

I. Directory Listings. WOW! may publish and distribute telephone directories in print, on the Internet and on CDs. Those telephone directories may include customer names, addresses and telephone numbers, without restriction as to their use. WOW! also makes customer information available at a charge through directory assistance operators. WOW! may also provide customer names, addresses and telephone numbers to unaffiliated directory publishers and directory assistance providers for their use in creating directories and offering directory assistance services. Name, address, and telephone information in telephone directories is not currently protected by copyrights and may be sorted, packaged, repackaged and made available again in different formats by anyone. WOW! takes reasonable precautions to ensure that non-published and non-listed numbers are not included in telephone directories or directory assistance services, although WOW! does not guarantee against errors. THE AGGREGATE LIABILITY OF THE WOW! ENTITIES FOR ANY ERRORS OR OMISSIONS IN ANY DIRECTORY LISTINGS OR PUBLICATIONS (INCLUDING LIABILITY FOR FAILING TO PUBLISH A LISTING OR PUBLISHING AN “UNLISTED” LISTING) IS LIMITED TO THE AMOUNT ACTUALLY PAID TO WOW! TO LIST, PUBLISH, NOT LIST, OR NOT PUBLISH THE INFORMATION FOR THE AFFECTED LISTING. CUSTOMER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS THE WOW! ENTITIES FROM ANY AND ALL CLAIMS FOR DAMAGES (INCLUDING CLAIMS FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING LOSS OF USE, LOSS OF BUSINESS, OR LOSS OF PROFIT), CAUSED OR CLAIMED TO HAVE BEEN CAUSED, DIRECTLY OR INDIRECTLY, FROM ERRORS OR OMISSIONS IN DIRECTORY LISTINGS.

J. Porting of Telephone Numbers. For new phone customers, until your telephone number is ported to WOW!, your existing local exchange carrier will be responsible for providing access to emergency services such as 911. YOU AGREE THAT, DURING THIS PORTING PROCESS, WOW! ASSUMES NO RESPONSIBILITY AND HAS NO LIABILITY FOR THE ACCURACY OF THE LOCAL EXCHANGE CARRIER RECORDS OR ITS ABILITY TO PROVIDE ACCESS TO 911 SERVICES.

K. Voicemail. Customers who subscribe to WOW! Phone with voicemail must set-up the voicemail box account within ninety (90) days of subscription. After 90 days, WOW! shall have the right to remove any unused voicemail boxes. Voicemail boxes that have been removed may be reinstated by calling WOW at 1-888-969-4249.

L. Usage Based Charges. Our calling plans billed as a flat monthly fee may not, depending upon the calling plan and available features, include certain call types. Rates for the Services, including separate rates for usage based charges (e.g., operator services) and per call or time-based charges (e.g., international calling and certain measured or limited use calling plans), are posted to the WOW! website www.wowforbusiness.com. Both the amounts and the types (e.g., periodic, time-based, usage-based) of charges for the Service are subject to change. For billing purposes, a time-based call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call. Time-based calls are recorded in whole minutes, with partial minutes rounded up to the next whole minute. However, some providers (e.g., those involved in calls to foreign countries) charge for a completed call when the called party’s line rings or after a certain number of rings. If such a provider charges WOW!, its affiliates, or suppliers as if your call were answered by the called party, WOW! will charge you for a completed call. If the computed charge for a time-based call includes a fraction of a cent, the fraction is rounded up to the nearest whole cent. If the computed charge for taxes or surcharges includes a fraction of a cent, the fraction is rounded up to the nearest whole cent. Voice Trunk Services may include a usage based fee for “bursted” traffic. Bursted traffic, and associated fee, only occurs when the number of simultaneous calls exceeds the trunk capacity purchased. For example, if the purchased call path package included 10 trunks, and during the calendar month, peak simultaneous calls resulted in twelve trunks being used, then the incremental two trunks would be billed as bursted traffic. Bursting is billed based upon usage during a calendar month, and is billed in arrears. Bursting functionality is enabled by default, and is provided to help ensure that your business does not miss phone calls. Bursting can be disabled upon request if you prefer to limit the number of simultaneous calls on your Voice Trunk service.

M. Third Party Charges. The Services may allow you to access “dial-up” Internet service providers, other enhanced service providers (e.g., information services accessible through 800, 888, and 877 numbers), and other third-party providers. You acknowledge that you may incur charges with such providers that are separate and apart from the amounts charged
by us. You agree that all charges payable to third parties, including all applicable taxes, are your sole responsibility. In addition, you are solely responsible for protecting the security of credit card information provided to others in connection with such transactions.

N. Retention of Rights. Nothing contained in the Agreement shall be construed to limit WOW!'s rights and remedies available at law or in equity. WOW! and its suppliers reserve the right both during the term of the Agreement and upon its termination to delete your voicemail, call detail, data, files, or other Customer information that is stored on WOW!'s or its suppliers’ servers or systems, in accordance with our storage policies. You understand and acknowledge that we shall have no liability whatsoever as a result of the loss or removal of any such voicemail, call detail, data, files, or other Customer information.

O. Toll Free Services. Subject to service availability, Customer may order Toll Free Services. Toll Free Services are not intended for residential use. In order to purchase and retain Toll Free Service with WOW!, Customer must have Voice Services, and must map each Toll Free telephone number ("TFN") to a Voice Service telephone number ("Associated TN"). If Customer terminates an Associated TN at any time during the Toll Free Services term, Customer must immediately: (1) map the applicable TFN to another Digital Voice telephone number on Customer’s WOW! account, or (2) purchase a new Digital Voice telephone number to map to the TFN. If Customer fails to take immediate action as indicated above, WOW! will disconnect the TFN. WOW! shall have no liability for loss of Toll Free Services which results from Customer failing to take immediate action as indicated above.

i. When ordering Toll Free Service, as set forth or referenced in each applicable Service Order Customer authorizes WOW! to act as its agent in initiating and provisioning such Toll Free Service.

ii. Toll Free Service is subject to the toll free pricing identified in the applicable Service Order.

iii. Unless otherwise stated in a Service Order, usage-based charges will be billed on either a per-minute or per-message basis. Service calls invoiced on a per-minute basis will have an initial minimum call duration of, 18 seconds subsequent intervals 6 seconds each.

iv. Subject to the terms and conditions herein, Toll Free Services are intended for commercial use only.

P. Voice Trunk Services. Subject to service availability and any applicable Ancillary Agreement, Customer may order Voice Trunk Services. Voice Trunk Services are not intended for residential use. Customer expressly acknowledges and agrees that it has reviewed, understands, and agrees to the terms set forth below and in any applicable Ancillary Agreement.

i. Customer action is essential to the protection of its employees and other users of the Voice Trunk Services, as described below. Multi-line telephone systems, such as PBX systems, ordinarily only transmit the same, generic location information for all 911 calls placed from any handset connected to the PBX or other system. For example, in the case of a business with telephone extensions in three buildings and multiple floors in each building, the E911 call taker would only see the same main telephone number and location that the customer has identified, regardless of which station was used to place the call. If Customer does not take action as described below, fire, police and other emergency responders may be delayed or even prevented from timely reaching its location in response to a 911 call.

ii. WOW! offers the opportunity for Customers to designate different zones within their premises that would be separately identified to the E911 call taker, such as a specific floor, side of a building, or other identifying information that could assist emergency responders to more quickly reach the appropriate location. To utilize this option, Customer must in the initial or a subsequent Service Order request the assignment of Emergency Location Information numbers and provide location information for each zone exactly as it should appear to the 911 call taker. For each zone requested, up to ten, Customer will receive a phone number that WOW! will register in the 911 database or databases with the specific location information provided by Customer. Customer is solely responsible for programming its telephone system to map each station to one of these numbers, and for updating the system as necessary to reflect moves or additions of stations within the premises.

iii. Many states now require businesses using multi-line telephone systems to program their systems to transmit specific location information for 911 calls. Customer acknowledges and understands that it, and not WOW!, bears sole responsibility to ensure that it identifies and complies with all such applicable laws, and any failure to do so is a breach of the Agreement. Customer represents, warrants and covenants that it will utilize the WOW! Emergency Location Information numbers described above at least to the extent required by law, and that Customer does not require the use of more than the number of different location identifiers or other features

W. Call Blocking Feature; Application and Ability to Opt-Out. Effective June 30, 2021, on all WOW! Phone services, WOW! uses a call blocking feature (the “Blocking Feature”), which automatically blocks certain calls that are determined by WOW! in its sole discretion to be likely spam, robocalls or other unwanted calls. You understand and agree that WOW! may use unaffiliated third party databases and directories, as well as other information sources, in implementing the Blocking Feature. Although the features of this Blocking Feature are subject to change at any time by WOW!, calls blocked by WOW! generally fall into these categories (the “Blocked Calls”): (i) Calls from telephone numbers identified by industry sources to be fraudulent, solicitous, or SPAM; (ii) Calls from telephone numbers that have made an abnormal number of attempts to reach WOW! Customers (a.k.a fishing attempts); and (iii) Calls from telephone numbers that are identified in government databases as fraudulent or suspicious.

You agree and understand that:

i. The Blocking Feature will automatically block the Blocked Calls, so that those calls are not completed to your phone. WOW! may use information sources over which it has no control (such as third party databases and directories) to implement the Blocking Feature, which information may change from time to time. There is a risk that the Blocking Feature will block calls that you may want and so you can opt-out of the Blocking Feature at any time. TO REMOVE THE BLOCKING FEATURE FROM YOUR PHONE SERVICE (WHICH WILL ALSO REMOVE THE CALLER ID ALERT FEATURE), CALL US AT 1-855-940-4969. TO REPORT THAT A LEGITIMATE CALL HAS BEEN BLOCKED IN ERROR OR TO REPORT A FRAUDULENT NUMBER THAT SHOULD BE BLOCKED, EMAIL US AT CALLBLOCKING@WOWINC.COM. For more information on Call Blocking, go to wowway.com/support/phone and select Robocall Blocking & Caller ID Alert from the Topic drop down menu.

ii. WOW! may disable or discontinue the Blocking Feature at any time. WOW! will take reasonable steps to notify Customers in advance of any changes to or discontinuation of the Blocking Feature, which notice may be accomplished by reasonable means selected by WOW!, including mail (such as information on your billing statement), email, phone or text and/or posting to the WOW! website.

iii. You understand and agree that WOW!’s discontinuance of or change to the Blocking Feature does not constitute a breach by WOW! or a default of WOW!’s service obligations to you.

iv. WOW! DOES NOT GUARANTEE THAT THE BLOCKING FEATURE WILL BE ERROR-FREE, UNINTERRUPTED OR ACCURATE. WOW! MAKES NO WARRANTY OR REPRESENTATION AS TO THE ABILITY OF THE WOW! BLOCKING FEATURE TO ACCURATELY DISTINGUISH BETWEEN BLOCKED CALLS AND WANTED CALLS OR AS TO THE ACCURACY OR QUALITY OF THE BLOCKING FEATURE. WOW! MAKES NO OTHER WARRANTY OR GUARANTEE OF ANY KIND WHATSOEVER.

v. UNDER NO CIRCUMSTANCES SHALL WOW!, ITS AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES,
vi. **YOU AGREE THAT YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY PROBLEM OR DISSATISFACTION WITH THE WOW! BLOCKING FEATURE IS TO UNSUBSCRIBE FROM AND STOP USING THE WOW! BLOCKING FEATURE ON ALL OF YOUR SUBSCRIBED PHONE LINES. WOW! SHALL NOT INcur ANY LIABILITY TO YOU OR HAVE ANY OBLIGATION TO REFUND ANY MONIES PAID OR PREPAID FOR YOUR USE OF THE WOW! PHONE SERVICE BASED UPON A FAILURE OF OR DISCONTINUANCE BY WOW! OF THE BLOCKING FEATURE.**

vii. **POINT OF CONTACT INFORMATION:** If you have a call blocking error complaint or if you would like us to verify the authenticity of the calls of a calling party that is adversely affected by information provided by caller ID authentication, please contact us at: callblocking@wowinc.com. To opt-out of the Call Blocking Feature (which will also opt you out of the Caller ID Alert feature) call 1-855-940-4969.

**X. Caller ID Alerts.** Effective June 30, 2021, the Caller ID Alert feature of our phone services has been enhanced with call analytics functionality designed to identify potentially fraudulent incoming calls (“Enhanced Caller ID”). WOW!’s analytics engine will assign a score for incoming calls, which varies depending upon the probability that the call is fraudulent (e.g., Spam). If our analytics determine that a call is potentially fraudulent, it will be marked with a “Potential Spam” or “Potential Scam” alert when it comes through on your phone. If our analytics determine that a call is at high risk of being fraudulent, we will proactively block the call and it will not even reach the phone. To opt-out of Caller ID Alerts (which will also disable the Call Blocking features) call 1-855-940-4969. IF YOU BELIEVE A LEGITIMATE CALL IS BEING INCORRECTLY BLOCKED OR LABELLED AS POTENTIAL SPAM/SCAM, CONTACT US AT CALLBLOCKING@WOWINC.COM. WOW! may discontinue or modify the Enhanced Caller ID feature at any time. WOW! DOES NOT GUARANTEE THAT THE ENHANCED CALLER ID FEATURE WILL BE ERROR-FREE, UNINTERRUPTED OR ACCURATE. WOW! MAKES NO WARRANTY OR REPRESENTATION AS TO THE ABILITY OF THE WOW! ENHANCED CALLER ID FEATURE TO ACCURATELY DISTINGUISH BETWEEN FRAUDULENT (E.G., SPAM) AND WANTED CALLS OR AS TO THE ACCURACY OR QUALITY OF THE ENHANCED CALLER ID FEATURE. WOW! MAKES NO OTHER WARRANTY OR GUARANTEE OF ANY KIND WHATSOEVER. UNDER NO CIRCUMSTANCES WILL WOW!, ITS AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS BE LIABLE TO YOU OR ANY OTHER PARTY FOR ANY LOSS OR DAMAGE RESULTING FROM THE FAILURE TO DETECT A FRAUDULENT CALL OR FOR IMPROPERLY CLASSIFYING AN ACCEPTABLE CALL AS A FRAUDULENT CALL.

**Y. Change in Regulatory Status.** Customer acknowledges and understands that certain of the WOW! phone Services use Voice over Internet Protocol (VOIP) to transmit calls. At present, VOIP is not regulated as a “telephone” service. Important distinctions exist between regulated telephone service and the information Service offering provided by WOW! The Service is subject to different regulatory treatment than telephone service. This treatment may, for example, limit or otherwise affect your rights of redress before Federal and State telecommunications regulatory agencies. The FCC and State regulators are currently reviewing the proper regulatory status of VOIP services. Customer agrees that WOW! retains the right to restate the Agreement to the extent necessary to comply with any change in or clarification to applicable law that impacts upon the Service. WOW! may, in its sole discretion, immediately terminate the Agreement, in whole or in part, in the event there is a material change in any law, rule, regulation, Force Majeure event, or judgment of any court or government agency, and that change affects WOW!’s ability to provide the Services herein.

**44. Additional Internet Service Terms, Restrictions and Advisories.** In addition to the provisions of this Agreement generally applicable to all WOW! Services, the following provisions more specifically apply to Customers that subscribe to the WOW! Internet Service. In addition, we may provide or require additional Ancillary Agreements that have additional terms and conditions that apply to certain services.

**A. WOW! Policies.** Customer agrees at all times to adhere to the current WOW! policies, including its DMCA, E-mail Retention and Internet Acceptable Use Policies (AUP), which are available for review at our website, www.wowforbusiness.com, and are incorporated into the Agreement by this reference. Upon any violation of the AUP or other policy by Customer or another user through use of Customer’s Account, WOW!, in addition to all of its other available legal or equitable remedies, may take any responsive actions that it deems appropriate, including: (i) temporary or permanent removal of content, (ii) temporary or permanent blocking of websites, and/or (iii) the immediate suspension or termination of all or any portion of the Service. Notwithstanding anything to the contrary in the Agreement, you acknowledge and agree that the terms of the DMCA, E-mail Retention Policy, AUP and any other applicable WOW! policies may be put into effect or revised from time to time without notice by posting a new version of the AUP or the other policy to the WOW! website at www.wowforbusiness.com. Accordingly, you and other users of the Service should consult the AUP and all other posted policies regularly to conform to the most recent version. CUSTOMER AGREES TO: (I) INDEMNIFY, DEFEND AND HOLD HARMLESS THE WOW! ENTITIES AGAINST ALL CLAIMS AND EXPENSES...
(INCLUDING REASONABLE ATTORNEY FEES) RESULTING FROM CUSTOMER ENGAGING IN ANY OF THE
PROHIBITED ACTIVITIES LISTED IN THE WOW! POLICIES OR RESULTING FROM CUSTOMER’S VIOLATION
OF THE POLICIES RELATED TO THE SERVICE. CUSTOMER’S INDEMNIFICATION WILL SURVIVE ANY
TERMINATION OF THE APPLICABLE CUSTOMER SUBSCRIPTION AGREEMENT; AND (II) ANY ADDITIONAL
LIMITATIONS OF LIABILITY SET FORTH IN THE POLICIES.

B. Restrictions on Use; Monitoring Service Use.

i. Customer acknowledges that the WOW! Internet service may provide its employees and other users with a
connection to the Internet that may be unfiltered, and that WOW! neither controls nor assumes any responsibility
for any content on the Internet or that is posted by a subscriber. All content and material accessed by you or
others through the Service is accessed and used by you or such others at their own risk. Customer is solely
responsible for the content that is viewed, posted or transmitted by it, its employees and other users of
Customer’s Account, and agrees to indemnify, defend and hold the WOW! Entities harmless from and against
any claims, liabilities, damages and expenses, including attorney's fees, arising out of or relating to content
accessed, posted or transmitted by Customer’s employees and other users through the WOW! Internet service.
Customer shall ensure that each of its employees, contractors, customers, guests and other users with access
to the Internet Service complies with the Terms and uses the Service only in accordance with any WOW!
acceptable use or other applicable policy and all applicable laws and regulations. In all events, Customer and
its users must respect the property rights of others, including those conferred by copyright, trademark and other
laws that protect intellectual property rights. Except as allowed by applicable law, you shall not upload, post or
otherwise make available on the Service any material protected by copyright, trademark, or trade secret or
other proprietary right without the express permission of the owner thereof. You may upload public domain
materials, but you are solely responsible for and assume all risks with respect to the determination of whether
materials are in the public domain.

ii. WOW! shall have no obligation to monitor postings or transmissions made in connection with the Service,
however, Customer acknowledges and agrees that WOW! and its agents shall have the right to monitor any
such postings and transmissions from time to time and to use and disclose them in accordance with the

appropriate to protect the Service, its facilities for provision of the Service, or the WOW! Equipment, including
but not limited to restricting or prohibiting the posting of any material that interferes with WOW!’s ability to
provide the Service.

iii. You understand and agree that if you type a Uniform Resource Locator (URL) which contains a nonexistent or
unassigned domain name, or enter a search term into your browser address bar, WOW! may present you with
a WOW! web search page containing suggested links based upon the query you entered in lieu of your receiving
an NXDOMAIN, similar error message or browser assigned query. WOW!’s provision of the web search page
may impact applications that rely on an NXDOMAIN or similar error message and may override similar browser-
based search results pages. If you would prefer not to receive these pages from WOW!, you should follow the
opt-out instructions that are available by clicking on the “About”, “Opt Out” or similar link on the page.

iv. WOW! automatically measures and monitors network performance and the performance of your Internet
connection and our network. We may also monitor and record information about your computer, equipment
profile or settings and the installation of software we provide. You agree to for the purpose of providing the
Service. We do not share information collected for the purpose of network or computer performance monitoring
or for providing customized technical support outside of WOW! or its authorized vendors, contractors and
agents. WOW! reserves the right to modify the password(s) for the router(s) used with the Service in order to
safeguard Internet security, the security and privacy of Customer information, where required by law, and/or for
other good cause to provide, upgrade and maintain the Service, protect the network, other users of the Internet,
or our Customers. Should WOW! change such password(s), we will use reasonable means to notify the
Customers affected, which may include notice by email and/or through notice on our website.

v. The Service is for Customer's use only at the specified service locations. Customer is specifically prohibited
from permitting other users and/or locations to access the WOW! Internet service, whether through wireless or
other means. WOW! PROVISIONS ITS INTERNET TO PROVIDE DOWNLOAD SPEEDS UP TO THE SPEED
INDICATED IN YOUR SERVICE PACKAGE. WOW! DOES NOT GUARANTEE THE SPEED OF ITS
INTERNET SERVICE. THE ACTUAL SPEEDS THAT YOU RECEIVE AT YOUR BUSINESS MAY VARY FROM THE "UP TO" SPEED DESIGNATED IN YOUR SERVICE PACKAGE. THERE ARE MANY FACTORS THAT AFFECT INTERNET SPEED AND OTHER INTERNET PERFORMANCE METRICS THAT ARE NOT WITHIN OUR CONTROL INCLUDING, WITHOUT LIMITATION: LIMITATIONS OF YOUR EQUIPMENT OR OTHER THIRD PARTY EQUIPMENT, SUCH AS COMPUTERS, ROUTERS AND MODEMS; THE NUMBER OF WORKSTATIONS OR PORTS USING A SINGLE CONNECTION; AND THE TYPE OF CONNECTION BETWEEN YOUR COMPUTER AND MODEM. INTERNET SERVICE IS ALSO SUBJECT TO OUR ACCEPTABLE USE AND NETWORK MANAGEMENT POLICIES, UNDER WHICH WE RESERVE THE RIGHT TO MANAGE OUR NETWORK AND YOUR USE OF IT, WHICH MAY INCLUDE PRACTICES THAT LIMIT SPEEDS DURING PERIODS OF NETWORK CONGESTION, OR WHEN NETWORK USAGE IS HEAVY OR OTHERWISE EXCEEDS NORMAL USE. YOU UNDERSTAND AND AGREE THAT THE OPTIONAL LTE FAILOVER SERVICE OFFERED BY WOW! WILL IMPACT THE EXPECTED AND ACTUAL SPEED OF YOUR INTERNET SERVICE.

vi. Customer acknowledges and agrees that WOW! shall have the right to monitor the "bandwidth" utilization (i.e. volume of data transmitted) arising out of the Service provided hereunder at any time and on an on-going basis. In its sole discretion, WOW! may: (i) limit excessive use of bandwidth; (ii) suspend, terminate or limit a Customer’s Account for excessive use of bandwidth; (iii) require Customer to upgrade Customer’s service level and pay additional fees in accordance with WOW!’s Price List; (iv) require the payment of one and a half times the Service charges for past excessive bandwidth usage; and/or (v) otherwise require the payment of high bandwidth usage fees.

vii. WOW! further reserves the right to act immediately and without notice to terminate or suspend the Services and/or to remove from the Services any information transmitted by or to Customer or users, if WOW! (i) determines that such use or information does not conform with the requirements set forth in the Agreement, (ii) determines that such use or information interferes with WOW!’s ability to provide the Services to Customer or others, or (iii) reasonably believes that such use or information may violate any laws, regulations, or written and electronic instructions or policies for use.

D. Eavesdropping. Our facilities are used by numerous persons or entities including, without limitation, other subscribers to the Service. As a result, there is a risk that you could be subject to "eavesdropping." This means that other persons or entities may be able to access and/or monitor your use of the Service. This risk of eavesdropping exists not only with our facilities, but also on the Internet and other services to which access is provided as a part of the Service. Any sensitive or confidential information posted, stored, transmitted or disseminated by you is done so at your sole risk, and the WOW Entities shall have no liability whatsoever for any claims, losses, actions, damages, suits or proceedings arising out of or otherwise relating to such actions by you. F. FTP/HTTP. You acknowledge that when using the Service there are certain applications such as FTP (File Transfer Protocol) or HTTP (Hyper Text Transfer Protocol) which may be used by other persons or entities to allow such other persons or entities to gain access to Customer's Equipment. You are solely responsible for the security of the Customer Equipment or any other equipment you choose to use in connection with the Service, including without limitation any data stored on such equipment. Neither WOW! nor its affiliates or agents shall have any liability whatsoever for any claims, losses, actions, damages, suits or proceedings resulting from, arising out of or otherwise relating to the use of such applications by you, or the access by others to the Customer Equipment or other equipment of yours.

G. User Name and Address. Customer represents that the username selected by the Customer, when used alone or combined with a second or third level domain name, does not interfere with the rights of any third party and is not being selected for any unlawful purpose. Customer acknowledges and agrees that if such selection does interfere with the
rights of any third party or is being selected for any unlawful purpose then WOW! may immediately suspend the use of such WOW! Internet e-mail address, and Customer will indemnify and hold the WOW! Entities harmless for any claim or demand against WOW! that arises out of such selection. Customer acknowledges and agrees that WOW! shall not be liable to Customer in the event that WOW! is ordered or required, as a result of a court order or legal settlement, to desist from using or permitting the use of a particular domain name as part of a WOW! Internet e-mail address. If as a result of such action, Customer loses an e-mail address, the Customer's sole remedy shall be the receipt of a replacement WOW! Internet e-mail address.

H. Service and Feature Modifications. WOW! shall have the right at any time to add to, modify, or delete any aspect, feature or requirement of WOW! Internet, including but not limited to equipment and system requirements.

I. Web Hosting. If Customer submits and WOW! accepts a Service Order(s) for web hosting services, the following terms shall also apply:

Entities for any harm resulting from such actions.

ii. Web Site Content. If applicable, WOW! (or its third party supplier) will host Customer’s web site in a data center in accordance with WOW!’s then-current published specifications, including, without limitation, storage levels (“Customer Web Site”). Ownership of any software developed or modified by WOW! or its suppliers and all graphics, text, or other information or content materials supplied or furnished by WOW! or its suppliers for incorporation into a Customer Web Site shall remain with WOW! (or the party that supplied such materials to WOW!). Customer agrees to be bound by and adhere to the required Digital Content License Agreement which applies with respect to WOW!'s provision in connection with the Services of certain objects including their API's as well as images, photographs, templates, animations, video, audio, music, text and "applets", and "online" or electronic documentation. i. Registration. At the request of Customer, WOW! (or its third party supplier) will use commercially reasonable efforts to facilitate the registration of the Customer internet domain name (“Customer Domain Name”) with a domain name registration service of WOW!'s choosing, but only to the extent that Customer provides WOW! with all necessary information relevant to such registration and subject to the further terms and conditions of any third party supplier. The domain name registration service will invoice Customer directly for all applicable registration fees, maintenance fees, and other applicable fees related thereto. Customer hereby acknowledges that Customer is entirely responsible for the payment of any and all such fees. WOW! does not represent that the Customer Domain Name will be available on an initial or ongoing basis. Further, Customer acknowledges that Customer, not WOW!, has ownership, control, and use of the Customer Domain Name. Further, Customer hereby agrees now and forever to release and to hold harmless the WOW! Entities, from any and all losses, damages, rights, claims, and actions with respect to, or in any way arising from: (i) services provided to Customer by a third party domain name registration service; and/or (ii) the domain name registration service’s removal of allocation or support for the Customer Domain Name. A username and password is required to access the WiFi Equipment to make sure you are authenticated by WOW!. You must provide accurate and complete sign-in and registration information and protect the password, username and security information you use to access WOW! WBWF; and (v) for WOW! WBWF customers, agree to terms, conditions and policies of our WiFi Equipment manufacturer, eero Inc. (referred to as “eero” or “supplier”) which will be provided to you at or about the time of registration, service installation or activation, and are available for your review at https://eero.com/legal/tos. You understand and agree that the WiFi Equipment is manufactured by eero, a company not affiliated with WOW!. In order to use WOW! WBWF, you must establish an account with eero through its app, which will require you to provide certain information to eero (such as your name, email and phone number) and agree to the eero terms and privacy policy. The operation, use and performance of the WiFi Equipment is governed by these Terms of Service, as well as any terms, conditions and warranties provided by eero. If you have any issues concerning your WOW! WBWF, you should contact WOW! by calling us at the contact phone number on your billing statement. You agree to safeguard the WiFi Equipment from loss or damage of any kind, and will not permit anyone other than an authorized representative of WOW! to perform any work on the WiFi Equipment.

ii. **Risks and Limitations of WiFi.** (i) **Information and Data Security.** WiFi is not an inherently secure technology. You agree that WOW! will use commercially reasonable efforts to provide its WiFi offerings, including WBWF, but acknowledge that WiFi utilizes public, unlicensed radio-frequency. As such, WiFi is subject to external interferences, environmental influences and other factors and variables beyond WOW!’s reasonable control. YOU ACKNOWLEDGE THAT COMMUNICATIONS OVER WIFI MAY BE SUBJECT TO INTERCEPTION BY UNAUTHORIZED THIRD PARTIES. Although WOW! and its suppliers use commercially reasonable efforts to provide you with a secure and reliable service, your use of WOW! WiFi is AS IS and AS AVAILABLE and we cannot and do not make any general or specific warranties regarding the security, availability, quality, performance or other functionality of WOW! WiFi offerings or WiFi Equipment. You are responsible for implementing your own security protections while using WOW! WiFi. In the event you become aware of any unauthorized use of a WOW! WiFi offering or any other security breach (including but not limited
to third-party use of your ID and password), you agree to immediately notify us. WOW! expressly disclaims any responsibility or liability for your use of WiFi and for any lack of security that may result from your use of WOW! WiFi. You assume all risk and release WOW! in the event of any damage you may suffer during use of WiFi, including the introduction of any viruses that may occur or breaches from unauthorized third parties. Please ensure your anti-malware software is up to date and that your data is backed up or otherwise protected. Please be mindful of others that may be able to view the content on your device. YOU AGREE TO HOLD WOW! AND ITS SUPPLIERS HARMLESS FOR THE FAILURE OF ANY DATA TRANSMISSION, LOSS OF ANY FILE, DATA OR OTHER INFORMATION WHILE USING A WOW! WIFI OFFERING, AND FOR ANY UNAUTHORIZED ACCESS TO OR UTILIZATION BY ANY THIRD PARTY OF ANY PERSONAL, FINANCIAL, OR OTHER SENSITIVE INFORMATION. (ii) **WiFi Service Availability and Performance.** WOW! WiFi Offerings use radio transmissions, so you may not be able to use WOW! WiFi if your wireless device is not within range of an available access point. Even within a coverage area, there are many factors that may impact the availability, performance and quality of WOW! WiFi. WOW! WiFi quality, speed, performance and availability may vary, and be limited or affected by various factors including, but not limited to: (a) limitations associated with wireless network protocols (i.e., wireless network protocols have lower actual speeds than the theoretical maximum connection speed, and so the speed you receive for a WiFi connected device is typically unable to achieve the speed of a device connected directly to your modem); (b) transmission and downlink speed and accuracy; (c) network congestion and capacity; (d) performance, configuration, and functionality of your WiFi devices and wireless cards (including, but not limited to memory, storage and other limitations), and any devices to which they are attached; (e) the number of WiFi devices connected at any time; (f) physical obstructions and distances between your WiFi device and the WiFi network; (g) availability of electric power; (h) transmission and equipment limitations, failures, maintenance or repair; and (i) user error. Data delays and omissions may occur. We are not responsible for data lost or misdirected due to these and other foreseeable and unforeseeable factors. Any network speed is an “up to” estimate only and is no guarantee of the speed at which your WiFi device or Internet service will operate. Actual network speed and other performance will vary. (iii) **WOW! Management of the WiFi Service.** WOW! May change the availability and/or functionality of a WOW! WiFi offering at any time. You understand that WOW! may have to manage WOW! WiFi in order to ensure a good experience for multiple simultaneous users. This may include, for example, a time limit on each session, a limit on a number of sessions within a given time period, a limit on the number of devices per account, or a limit on the amount of bandwidth used by each device. If WOW! implements a time limit on your use of WOW! WiFi, there is no warning prior to disconnection of the session. In order to maintain acceptable levels of service for all WiFi customers and to improve WOW! WiFi, we reserve the right to monitor the use of and reasonably manage WOW! WiFi and to make such adjustments to the use of such services as necessary to maximize the benefit and enjoyment for all WOW! WiFi users. Additionally, WOW! and its suppliers may use automated processes to monitor and scan communications over the WiFi network in order to maintain and provide services, improve your experience, ensure the integrity of your communications, convey messages related to your WiFi account, deliver relevant advertising and for various other purposes related to the provision of WOW! WiFi. By using WOW! WiFi, you acknowledge and consent to WOW!’s (and its suppliers) automated processing of your communications through the WiFi network, including information such as your IP or MAC address, WOW! customer ID, HTTP requests and other information related to the provision of WOW! WiFi. (iv) **911 Calls.** WOW! WiFi is not intended for use in making 911 calls. It is not recommended that you use over-the-top voice services to make 911 or other emergency calls using WOW! WiFi.

iii. **Intellectual Property.** WOW! and/or its authorized manufacturers and suppliers own all intellectual property rights in the WiFi Equipment, including related written materials, software, logos, websites, applications, names and other support materials. No title to the intellectual property in the WiFi Equipment or any other material provided therewith is transferred to you. All rights are reserved. All names, trademarks and logos that appear in connection with WOW! WiFi are the property of WOW! and/or its third party suppliers. You may not use any of these names, trademarks or logos without WOW!’s prior written permission or the permission of the owner. Any attempt to disassemble, decompile, create derivative works of, reverse engineer, modify, sublicense, distribute or use for other purposes WOW! WiFi or WiFi Equipment is strictly prohibited.

iv. **Monitoring and Collection of Data.** WOW! and its equipment suppliers (including eero), vendors, partners and licensors (sometimes referred to as “WiFi Suppliers”) may collect and use certain information about you when you use WOW! WBWF. We use this information to register your subscription to WOW! WBWF and authenticate you as a valid WOW! Internet and WiFi subscriber authorized to access WOW! WBWF, which may include without limitation name, phone number, email address and password, the configuration of your WiFi-enabled device and the unique device identifier (“Device ID”) associated with your device (such as a serial number and/or MAC address), and IP address associated with your Internet service. Once you are registered
and authenticated, your information will be stored by WOW! and/or its WiFi Suppliers to allow you to auto-connect to WOW! WBWF without having to authenticate each time you access the WOW! WBWF. Periodically you will be required to re-authenticate. WOW! and/or its WiFi Suppliers may track and store IP addresses and the MAC address of your device accessing WOW! WBWF, as well as usage data associated with the MAC addresses of each device. We also may collect usage data relating to your use of WOW! WBWF, which data will be collected in the aggregate and linked only to your Device ID. You further acknowledge and agree that WOW! and/or its WiFi Suppliers: (i) has the right to electronically monitor your use of WOW! WBWF to operate the WiFi Equipment properly, to protect itself or its subscribers, to enhance or develop WOW! services offered to you, to disclose any information as necessary to satisfy any law, regulation or other governmental request (such as a subpoena or court order), or to protect our rights, network, users or property; and (ii) monitor the traffic for network management and security purposes, such as identifying malware, bandwidth consumption, location of the access points, session start and end time, types of protocols and applications used, and illegal content such as child pornography; and (iii) may also collect additional personal information from you, as part of a registration process or otherwise. We may use that information for marketing and other purposes. More information about the collection of data is available in the WOW! Privacy Policy located at https://www.wowway.com/docs/wow/documents-terms-and-conditions/privacy-policy.pdf, and the eero privacy policy located at https://eero.com/legal/privacy. YOU HEREBY AGREE AND CONSENT TO OUR AND OUR WiFi SUPPLIERS COLLECTION, USE, TRANSMISSION, PROCESSING AND MAINTENANCE OF DATA AND INFORMATION IN CONNECTION WITH THE PROVISION OF WOW! WBWF (INCLUDING WITHOUT LIMITATION FOR PURPOSES OF PROVIDING WOW! WBWF TO YOU, CONTACTING YOU REGARDING WOW! WBWF OR OTHER WOW! PRODUCTS OR SERVICES, PROVIDING CUSTOMER SUPPORT AND MAINTENANCE FOR WOW! WBWF, AND FOR TESTING FUNCTIONALITY, TROUBLESHOOTING REPORTED BUGS AND OTHER PURPOSES RELATED TO PROVIDING, ANALYZING AND IMPROVING WOW! WBWF). WE WILL USE AND DISCLOSE ANY PERSONALLY IDENTIFIABLE INFORMATION THAT WE MAY COLLECT FROM YOU IN CONNECTION WITH YOUR USE OF WOW! WBWF (FOR EXAMPLE, YOUR NAME, PHONE NUMBER AND EMAIL ADDRESS) IN ACCORDANCE WITH THE TERMS OF THE WOW! SUBSCRIBER PRIVACY POLICY AND/OR THE EERO PRIVACY POLICY.

v. Optional Third Party Services. In some service areas, eero Secure and Secure+ service is available through WOW! to Whole-Business WiFi customers. The product is provided by eero, a third party not affiliated with WOW!, and is subject to its own terms, conditions and policies. WOW! is not responsible for your access to or use of such third-party products and services, their content, features, pricing, equipment requirements, terms and policies, or any other aspect of the third-party product or service. WOW!’s provision of links or other direct access to such a third-party service provider does not imply affiliation with the provider, even if the product or service is billed to you by WOW! on behalf of the third party.

L. Off-Net Services. If you subscribe to WOW! Ethernet Services, you agree and acknowledge that the Services may be provided using certain off-net facilities of carriers not affiliated with WOW!. “Off-net” means that WOW! may use a third party carriers’ facilities to connect back to the WOW! network for delivering services to a Customer location. Unless otherwise specifically agreed to by WOW! in writing, locations served by these "off-net" facilities are not eligible for any service level guarantees (SLAs) or credits in the event of a disruption or interruption of services attributable to the off-net facilities. WOW!’s ability to provide off-net services is determined by WOW! in its sole discretion.

M. WOW! Business Continuity/Wireless Failover Service. The WOW! Business Continuity product (or the "Wireless Failover Service") provides a backup wireless service that allows for essential functionality of the WOW! Internet service in the event that the wired Internet connection is interrupted.

i. Requirements. Wireless Failover requires a subscription to WOW! Business Internet, lease of a WOW! provided Wireless router (the “Wireless Failover Equipment”), a minimum 24 month service contract, a continuous power source, and a professional WOW! installation is required. Installation charges may vary based on installation requirements. Early termination fees apply. Wireless Failover functionality and speeds not guaranteed, and may be limited by various factors, including Wireless Failover Service configuration and equipment placement. Wireless Failover Service may not be used at any location other than the Service Location(s) for which the WOW! Business Continuity Service was ordered, and Customer shall not move, rearrange, disconnect, remove, transport or use the Wireless Failover Equipment provided in connection with the Wireless Failover Service at any location other than such Service Location(s). WOW! Business Continuity Service is available in failover situations only for devices that provide essential business data traffic and use dynamic IP addresses. The service does not support devices with static IP addresses, which, for example, may include things such as: security cameras, remote VPN, internal web server that hosts customer webpage, assigned static IP to authenticate into a remote website or logistics system, and Voice Trunking (PRI/SIP) pointed to a static IP address. Wireless Failover Equipment provided by WOW! remains property of WOW! and must be returned to WOW! upon termination of WOW! Business Continuity Service to avoid additional charges.
Wireless Failover Service availability and terms subject to change.

ii. **Power Requirements.** Wireless Failover Service will not function without a power source. Battery backup is recommended and available for purchase from WOW!. Wireless Failover Equipment supports up to two optional batteries. A single battery pack can provide up to 8 hours of battery run time, when fully charged. Actual duration of backup battery runtime depends on multiple factors, including equipment, configuration, service use, battery age and temperature and is not guaranteed. Battery is subject to the specifications and warranties provided by the manufacturer. You authorize WOW! to provide you with device notifications via email. You are responsible for monitoring battery functionality and indicator lights and replacing a battery when required. When battery indicator light is solid or blinking yellow, BATTERY MAY NEED TO BE REPLACED.

iii. **Speed, Service Management and Limitations.** Wireless Failover Equipment can limit expected and actual HSD speeds, even when the Wireless Failover Service is not engaged. Devices connected to the Wireless Failover Equipment cannot receive Gig speed. Expected wired download speed for 1gbs speed is limited to approximately 800Mbps to 850Mbps under normal operation. When Wireless Failover is engaged, speed is limited further to peak download of 150Mbps (LTE)/42.4Mbps in areas where 4G is not available, and peak upload 50Mbps (LTE)/5.76Mbps in areas where 4G is not available. Speeds are not guaranteed. Limited Wireless Failover Service speeds may not support certain functions or services, such as video products, including video surveillance and TV service. WOW! may manage Wireless Failover traffic, which may reduce speed or functionality in certain circumstances. For example, WOW! may (i) block certain types of traffic for a Failover customer's data service while on the LTE Service; and/or (ii) limit, throttle or shut down the Wireless Failover Service when the customer's data service reaches certain limits imposed by WOW!, to help extend available Wireless Failover Service.

express consent to email and call you (including text messages) for purposes that include marketing our services to you and

CUSTOMER’S CONTINUED RECEIPT OF SERVICES SHALL BE DEEMED ACCEPTANCE OF ANY SUCH CHANGE. WOW! AT ITS OPTION MAY AGREE NOT TO APPLY THE CHANGED TERMS TO CUSTOMER, IN WHICH CASE THE AGREEMENT IS NOT SUBJECT TO EARLY TERMINATION BY CUSTOMER.

51. Severability. The parties acknowledge that WOW! is subject to the provisions of its franchises and to the provisions of applicable federal and state laws and regulations. Any duty or promise of WOW! under the Agreement that conflicts with any provision of a franchise, or with applicable federal or state laws or regulations is to that extent void. Notwithstanding, the terms of the Agreement are considered severable, and in the event that any term is rendered unenforceable due to any such conflict or is otherwise found to be invalid or unenforceable, the parties shall replace the invalid or unenforceable portion with another provision that, as nearly as possible, reflects the original intention of the parties, and the remainder of the Agreement shall remain in full force and effect.

52. Notices. Except as otherwise provided in the Agreement, any notices or other communications contemplated or required under the Agreement, in order to be valid, shall be in writing and shall be given via personal delivery, overnight courier, or via U.S. Certified Mail, Return Receipt Requested. WOW! may assign or transfer the Agreement and/or your Customer account (including amounts that you owe to us) at any time without consent and without notice. The Parties to the Agreement are independent contractors. Neither Party is an agent, representative, or partner of the other Party. Neither Party shall have any right, power, or authority to enter into any agreement for, or on behalf of, or incur any obligation or liability of, or to otherwise bind, the other Party. 33
The Agreement shall not be interpreted or construed to create an association, agency, joint venture, or partnership between the Parties or to impose any liability attributable to such a relationship upon either Party. Customer acknowledges that any products, software, and technical information (including, but not limited to, services and training) provided pursuant to the Agreement may be subject to U.S. export laws and regulations, and any foreign use or transfer of such products, software, and technical information must be authorized under those regulations. Except as specifically provided herein, the Agreement does not expressly or implicitly provide any third party (including users) with any remedy, claim, liability, reimbursement, cause of action, or other right or privilege. No failure by either party to enforce any rights hereunder shall constitute a waiver of such right(s). Each of the Parties agrees to comply with all applicable local, state and federal laws and regulations and ordinances in the performance of its respective obligations under the Agreement.
